DC wall-mounted series parameter table (European standard)

Item	Standard parameter value			
Product Number	JS-DC-BGS-01	JS-DC-BGS-02、JS-DC-BGS-03	JS-DC-BGS-03	
power (output)	7KW	20KW	30KW	40KW
Input voltage	AC240V±20%	AC400V±20%		
Output voltage	200~600VDC	200~750VDC	200~1000VDC	
Output current	0-20A	0-50A	0-100A	0-130A
Iuput frequency	50~60Hz			
Implementation standards	IEC/EN 61851-1,IEC/EN 61851-21-2,EN 301 489-1/3/17,EN 301 908-1/2/13			
Interface	——	4.3 inches LCD color display (Optional)		
payment method	One-touch start/stop/plug and play	Plug-and-play charging, swipe card start-stop, swipe card billing, network scanning code IC radio frequency card (optional)		
Protection grade	≥IP66	≥IP54		
Installation method	Wall-mounted / Pole-mounted (Pole optional)			
Gunline length (customisable)	5m			
Weight (varies slightly by product line)	17Kg	122Kg		
Dimension (varies slightly by product line)	375*210*545mm 335*140*490mm	560*380*200mm	670*580*240mm	670*580*240mm
OCPP	OCPP 1.6J			
Network interface	Ethemet,WIFI,4G			
Working temperature	-30~+70℃(Output degraded above 50℃)			
Charging Standards	CE -JSDC24016A- BG2	CE -JSDC38030A- BG2	CE -JSDC38043A- BG3	CE -JSDC38075A- BG3
